

HARSH MANE

maneharsh72@gmail.com • +91-9049228342 • [Github](#) • [linkedin](#)

SKILLS

- **Technical Skills:** C Programming, Python, HTML, Tailwind-CSS, JavaScript, React JS.
- **Database:** MySQL, MongoDB.
- **Tools:** VS Code, Git, GitHub, Figma.

EXPERIENCE

Earth Solution

- Contributed to software development for client-focused digital transformation initiatives.
- Worked with React.js to build interactive and scalable UI components
- Implemented responsive features using Formik, Tailwind CSS.
- Served as a Frontend Developer on the project

PROJECTS

TO-DO WEB APPLICATION

- A sleek, intuitive app built with React JS that lets users add, edit, delete, and mark tasks as complete, with smart filtering options (All, Active, Completed) to stay organized and productive.
- Offers a modern, responsive UI that adapts beautifully across all devices, with real-time UI updates powered by React's state management for a smooth user experience.
- **Tech Stack: React JS, Tailwind CSS, JavaScript, LocalStorage.**

MONKType – Typing Speed Test Web App

- Built a responsive and interactive typing speed test platform that displays random words and tracks typing speed and accuracy in real-time..
- Implemented features like dynamic word rendering, typing effect animation, timer, performance metrics, and error detection to simulate real-world typing tests.
- Enhanced user engagement with a sleek UI, and minimalistic design for focused interaction
- **Tech Stack: React.js, Tailwind CSS, JavaScript, Vite, Custom API (for random words).**

CONCRETE MIX DESIGN WEB APPLICATION

- Developed a Web app for calculating optimal concrete mix proportions, assisting in material selection and ensuring compliance with industry standards.
- Streamlined the concrete mix design process for civil engineers, enhancing accuracy and efficiency in construction projects.
- **Tech Stack: HTML, CSS, Tailwind-CSS, JavaScript**

CERTIFICATIONS / TRAINING

- C Programming, DSA, Web Development (Frontend)

EDUCATION

Bachelor of Technology in EnTC Engineering: CGPA: 8.8

Aug 2021 – June 2025

Walchand Institute of Technology, Solapur

HSC in Science: 92%

Sangmeshwar College of Arts and Science

June 2020 – Mar 2021

OTHER SKILLS

Problem Solving, Presentation, Teamwork, Leadership and Managerial Skills, Quick Learner, Analytical Skills, Communication Skills, Object-Oriented Programming (OOPS), Data Structures and Algorithms, Microsoft Office (Word, Excel, PowerPoint).
